Sir:

This application is entitled to small entity status. Applicants request the U.S. Patent Office update their records to reflect that this application is entitled to small entity status. In addition, on June 13, 2011, Applicants filed a Petition for Extension of Time. Applicants request a refund of \$65. Since the application is entitled to small entity status, the fee Applicants paid on June 13, 2011 should have been \$65 instead of \$130. A check in the amount of \$130 was enclosed with the Petition for Extension of Time. Please refund the amount to TraskBritt Deposit Account No. 20-1469.

In addition, a Power of Attorney was filed on June 1, 2011. In PAIR, a Revocation of Power of Attorney was transmitted to the previous firm, however the "Attorney Tab" in PAIR was not updated to show the current firm (as also identified below). On June 13, 2011, the undersigned's office contacted the PCT Help Desk to seek a correction. Applicants request verification that the "Attorney Tab" in PAIR has been corrected to reflect the current firm.

If the U.S. Patent Office has any questions concerning this document, it is requested to contact the undersigned.

Respectfully submitted,
